This opportunity has allowed me to witness these dynamic women firsthand - their dedication, accomplishments and empathy, and also as amazing mothers. Watching all three of our children find success in their own journeys fills my heart with gratitude and pride."*

# Ashley McCormick

*"Being a mom to Ryan and a Mimi (Grandmother) to Aubrey is the greatest joy of my life. Motherhood has taught me resilience, love without limits, and the power of showing up - whether it's for my family or my clients. Balancing a thriving real estate career with motherhood isn't always easy, but it's shown me that success isn't just measured in deals closed; it's in the moments shared, the lessons passed down, and the legacy built for the next generation. Watching Ryan grow into an incredible man and seeing Aubrey's wonder at the world reminds me daily why I work so hard - to create a life filled with love, opportunity, and endless possibilities."*

*As a single mother, balancing family life and a real estate career is sometimes challenging. However, I love it! I love that they have followed my work ethic so far, my kids are my everything! I love educating them about the world's many opportunities and the importance of networking. Real Estate should be a part of every family's life in some way as it provides so much gain in so many ways, not just financially.*
